Job Description - Fruit Picker

Job Title: Fruit Picker  
Location: Richmond, BC  
Reports to: Fruit Recovery Program Coordinator  
Status: Volunteer

Ongoing Responsibilities:
- Sign up for fruit picks in advance of the picking date by communicating with the program coordinator
- Meet the coordinator at the pick location
- Pick a variety of different fruits, with care not to damage the plants or bruise the fruit. At times this may involve climbing a ladder to reach fruit
- Ensure that the fruit you pick has been weighed and recorded

Requirements:
- Be punctual and attend all fruit picking sessions you sign up for
- Be respectful of the tree owner's property
- Be comfortable working outside
- If you have a ladder, bucket or picking bag please bring them to the pick

Hours:
- There will be opportunities to pick fruit two days a week from late June through October
  Picks will take place every Saturday and one weekday throughout the season
- We encourage pickers to commit to multiple picks through the season
- The amount of time for each pick will vary based on the type, and number of fruit available The time commitment will generally range from 1-3 hours
