

Constitution of the Richmond Food Security Society (the “Society”)

The purposes of the society are:

- a) To work towards a sustainable food system in Richmond
- b) To facilitate public education around food and agriculture
- c) To encourage initiatives that strengthen community food systems and develop food self reliance through the sharing of information, skills, and resources
- d) To encourage the purchase of local produce and related products
- e) To develop a plan to sustain food security in Richmond
- f) To seek funding, and in-kind contributions, to implement the Society’s action plan
